MEMORANDUM FOR THE RECORD

Staff Meeting Minutes of 23 March 1982

The Director chaired the meeting.

25X1

The Director noted the State paper on El Salvador seems to have flown fairly well and the chemical warfare paper has received good media play.

25X1

The Director noted the SIG(I) meeting scheduled on 25 March to discuss NSSD-2-82 has been postponed. The DCI commented he would talk to Judge Webster prior to rescheduling the SIG(I).

25X1

The Director said today's NFIB will take a first look at NIE 11-3/8 which is a good exposition of the Soviet strategic forces.

25X1

25X1

Taylor commented as a matter of interest that the Rochester Institute of Technology each year graduates quality photogrammetrists and photo scientists who are highly sought after by the Government and private industry. In response to the Director's question, Glerum said last year eighteen of those specialists graduated but we were only able to hire one despite the inducements the DDS&T was authorized to use.

25X1

Glerum presented a short detailed explanation of the current controversy surrounding the utilization of flex time in the Government. He noted that effective this pay period, the Agency will no longer have the option of using flex time, although the Office of General Counsel has provided a good case for reinstitution of this option. [REDACTED]

25X1

Admiral Inman reiterated the Director's concern that the Agency will be under increasing pressure to provide information for speeches, etc. Admiral Inman reminded all to keep the D/OEXA informed of all such requests for information and for public appearances. [REDACTED]
